

From the desk of  
**MRS. BREZONICK**  
Second Grade, Plat School

September 9, 2013

Dear Parents,

Your student has taken his/her first spelling test for the year. My policy is on Mondays or the first day of the week - the students will take a pretest. If your child does well on the pretest with either 100% or 1 missed word he / she will receive a challenge list to study. On the last day of the week the class will be given the post test. The spelling grade is based on the post test so it is important to study during the week whether you have the regular or challenge words. If you have questions don't hesitate contacting me. The words are also listed on my webpage so you don't have to wait until Monday to start studying. Good Luck learning the new words.

Thank you for your cooperation,  
Mrs. Brezonick
